

Change of Service Notification: Vygon & Advanced Medical Inc.

Dear Sir or Madam:

This letter is to provide you notice and details of a change of service for prefilled saline and heparin syringes. Vygon (also known as Advanced Medical, Inc.) will be replacing our current prefilled saline and heparin supplier with a new supplier. We are discontinuing our 3ml sizes of heparin and replacing it with 5ml heparin. A cross reference table of codes is provided below, and all inventory levels will remain the same to ensure consistent supply.
